Federal agencies receiving Recovery Act funds are submitting weekly Financial and Activity reports detailing their recovery activities. These reports give regular updates to government officials, Congress, and the public on how much is being spent and on what. If you are interested in having SPI point you to specific opportunities, contact Reagan Weil at 512.531.3900.

A summary and weekly progress trend of total spending data based on these reports received to-date is presented below. Click on the agency name to review an agency summary and its latest weekly report. Click on the available or paid dollar value to see a detailed breakdown by budget accounts. The table does not include funds included in the ARRA for Tax provisions.
