PRESS RELEASE

For immediate release

Nabers to address infrastructure, transportation investment in Texas

Will join other subject matter experts for TAB Legislative Pre-Session Conference

AUSTIN, TX (11/1/18) – Mary Scott Nabers, president and CEO of Strategic Partnerships, Inc., will be among a number of subject matter experts participating in the Nov. 14 Texas Association of Business (TAB) Legislative Pre-Session Conference. Speakers will address the most important issues affecting Texans as lawmakers prepare for the upcoming legislative session in Texas. The 86th Texas Legislature will convene on Jan. 8, 2019.

The TAB event will be held in Dallas at City Club Dallas, and will focus on issues such as infrastructure and transportation, creation of a 21st century workforce and analysis of the results of the November general election.

Nabers, a recognized expert in public-private partnerships, will be part of a panel that will focus on transportation and infrastructure investment in Texas. She will share her unique business perspective from both the public and private sectors.

Nabers served 10 years as a statewide office holder in Texas government as the Commissioner representing business at the Texas Employment Commission and as a member of the Texas Railroad Commission. Since then, for more than two decades, she has led a highly successful business development and procurement consulting firm that partners public and private entities.

TAB is the state's largest business association and the organization's mission is to be on the front lines of legislative, regulatory and judicial issues that impact the Texas business

community. Nabers will be joined by other experts from business, media, higher education and chambers of commerce as well as elected state and local officials who will share their expertise and experience in their respective fields and offer an insider perspective on today's hot button issues and priorities for the upcoming legislative session.
